

LABOR DAY PICNIC + RALLY!

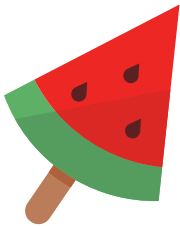

MONDAY, SEPTEMBER 7 / 11AM-1 PM

ALBANY MEDICAL CENTER, 43 NEW SCOTLAND AVE, ALBANY 12208

RALLY!

FOOD!

**PETS, KIDS, &
FAMILIES WELCOME!**

The unions and community of the Capital Region are coming together to celebrate our solidarity!

Rather than hold the usual picnic/BBQ in the park, **this year all the unions want to show the community what real solidarity looks like: Holding an event in front of Albany Medical Center to support the NYSNA nurses' fight for a fair contract.**

Let's also highlight the major union victories at Ellis and Bellevue Hospitals, which now sets the labor union standard for the Capital Region market.
